

Tax Credit Facts

Anyone with or without children, married or single, is eligible for this unprecedented state tax credit.

The \$400 maximum state tax credit is available for taxpayers who are married and filing jointly. A husband and wife who file separate returns for a taxable year in which they could have filed a joint return may each claim \$200.

For a single individual or head of household, the tax credit is \$200

A state tax credit will allow you to reduce the amount of your tax liability to the state or increase your refund from the state. If you donate the maximum \$400, your Arizona tax bill would be \$400 less or your refund would be \$400. It is a dollar for dollar credit.

You may donate less than \$400 and be eligible to receive the state tax credit in the amount of your donation. The amount you donate (up to \$400) will be the amount you may claim as a state tax credit.
